[About me](#)

My name is Jean-Jacques and I'm a philosopher at heart and a traveller by nature.

Photography is my first love and writing my second. These two loves of mine swap places, depending on which one I'm courting in the moment.

Inevitably I always end up in foreign destinations, usually for extended periods of time. Not that I mind, mind you, that's what I do.

I am currently based in South America, enjoying the sights, sounds and tastes and exploring the region whenever I can.

Thank you for visiting and enjoy the views!
